English

Read and sign the document.

Please report to the Tata Steel Loader in the warehouse.

- **Respect:** Everyone is treated with respect!
- **Safety:** Don't create any unsafe situations.
- **Trailer entry:** Only enter using the available staircase, and do not enter the trailer during loading.
- **Usage of crane:** It is strictly forbidden for drivers to handle cranes.
- **Axis distribution:** The driver is responsible for correct axle distribution.
- **Lashing:** Secure the goods safely while following the correct Load Restraint Guideline (LRG/TAD).

Always follow the safety instructions of the Tata Steel Personnel!
If these rules are not followed, the shipment will be refused.
