## Zeremis® Carbon Lite

### Important Information:

Please note that use and validity of the declaration is subject to the holder of the declaration accepting that:

1. This declaration represents a virtual (mass balanced) reduced carbon product. This must be clearly stated if and when the credits are used and/or referenced in any way.
2. It must take into account its own production processes and, if applicable, any other entities in the supply chain and adjust the virtual carbon intensity accordingly.
3. This declaration is only valid if it is used in accordance with Tata Steel's guidance set out on our website (use the QR code below.)
4. Notwithstanding anything to the contrary and to the fullest extent permitted by law, the total aggregate liability of Tata Steel (howsoever arising and whether under contract, tort (including negligence), breach of statutory duty or otherwise) arising out of or in connection with this declaration shall not exceed in any circumstances the premium paid for the declaration. Tata Steel shall not under any circumstances whatsoever be liable whether in contract, tort (including negligence), breach of statutory duty or otherwise, for any loss of profit and any indirect or consequential damage suffered that arises under or in connection with this declaration.
5. Each and every holder of the declaration from time to time shall fully indemnify Tata Steel and shall hold Tata Steel harmless from and against any claim, damage, liability, loss of any kind whatsoever accrued or incurred by Tata Steel arising out of or in connection with any improper or incorrect use of the declaration and/or improper or incorrect calculations in relation to CO<sub>2</sub> savings.
6. This declaration and any disputes arising out of or in connection with it shall be governed by and construed in accordance with the laws of and subject to the jurisdiction of the courts where the applicable Tata Steel entity issuing this declaration has its registered office.
7. Any reference to or use of the words Tata Steel, Zeremis® and/or Carbon Lite must be approved in advance in writing by Tata Steel.
